BH FS 40th Anniversary

Showing Our Age?

You Bet! And we are proud of it!

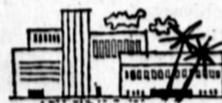

We've watched the excitement of youngsters while they opened their first savings account... with nickels and dimes from piggy banks.

We've sensed with distinct pleasure the true meaning of home as we helped thousands of Southlanders become home owners.

Our goal these past 40 years has been to provide our account holders with the highest possible earnings on their funds, with the greatest safety. In reaching this goal we have had some wonderful experiences.

We've also seen the glow of pride in new parents as their plans for building that needed extra room became a reality.

We've shared in the growth and development of the financial center of the west... Beverly Hills. More recently, we've been able to provide a new type of service for savers... Drive-In-Teller Service. Where complete financial transactions can be handled from 7:30 a.m. to 6:30 p.m. daily in our Olympic-Century

Office. Saturdays 10:00 a.m. to 4:00 p.m.

We've extended our service to residents in the South Bay area... where families can come in together and plan their financial future anytime from 10 a.m. to 8:30 p.m. daily, or on Saturdays from 10 a.m. to 4 p.m.

Yes, we are showing our age and we are frankly proud of the progress we have made in the first 40 years.
